West Coast Energy Fund

NEW RELATIONSHIP TRUST

- The West Coast Energy Fund (WCEF) was created in partnership between Indigenous and Northern Affairs Canada – Strategic Partnerships Initiative and the New Relationship Trust (NRT).
- It is delivered by our BC Aboriginal Financial Institutions (AFIs) partners.

West Coast Energy Fund

- The WCEF is a \$5 million capital fund that is available to support small to large sized Aboriginal (First Nations, Inuit, Métis and Non-Status) entrepreneurial and Community businesses based in British Columbia (BC).
- The WCEF will support businesses that are related to oil and gas and liquefied natural gas (LNG) projects, either directly or indirectly, through supply chain procurement opportunities. This includes exploration, pipeline build outs and plant developments, and other opportunities to be evaluated on a case by case basis.
